

The logo for KYRYA, featuring a stylized 'K' icon followed by the word 'KYRYA' in a bold, sans-serif font with a registered trademark symbol.A complex, abstract background composed of overlapping geometric shapes in various colors (brown, purple, orange, teal, blue) and textures (wood grain, dotted patterns, solid colors). The shapes are arranged in a dynamic, layered fashion, creating a sense of depth and movement.

A small logo consisting of the letters 'UK' inside a square border.

KYRYA® is a leading company in the manufacture of bespoke and custom bathroom furniture. We are non-conformists and work with the motivation to continue developing our ability to generate new concepts and build partnerships with new ideas that result in innovative and attractive solutions.

**Design is our attitude.** And our work is the best way of demonstrating it, making it a hallmark that is engraved on each of our projects.

CUSTOMISED  
INDIVIDUALISED  
DESIGN SYSTEM,  
ATTENTION PAID TO  
EVERY LAST DETAIL.

DESIGN  
ATTITUDE

# CUSTOM FURNITURE

We work with the aim of developing new design concepts in which space and distribution are the differential value. The main advantage of any type of bespoke furniture is its total adaptability, as they are unique pieces which fit perfectly into the space, giving it personality and making it unique.

### STORAGE

The best-selling bespoke furniture aims to optimise the bathroom storage capacity, a need that a ready-made piece of furniture does not satisfy.

### FINISHES

The possibility of choosing the raw material, the colours... is another advantage of bespoke furniture. The pieces are fully available in all types of materials and finishes.

### DELIVERY TIMES

We have to bear in mind that the manufacture of any bespoke furniture requires time, so it is always advisable to plan ahead for this type of orders.

### ENVIRONMENT

KYRYA® is committed to complying with all current and future laws related to environmental protection and to the search for recyclable materials.

**BESPOKE AND FULLY CUSTOM DESIGN SYSTEM THAT TAKES CARE OF EVEN THE TINIEST DETAILS**

**MORE THAN 500,000 COMBINATIONS**

We work to order

## A UNIQUE WAY OF MANUFACTURING EXCEPTIONAL FURNITURE

We manufacture our furniture piece by piece.

Each order leads to a piece of furniture with specific measurements and finishes that the customer has chosen from more than half a million possible combinations.

A process that seamlessly combines **technology and craftsmanship**.

DISCOVER THE ADVANTAGES OF BEING PART OF

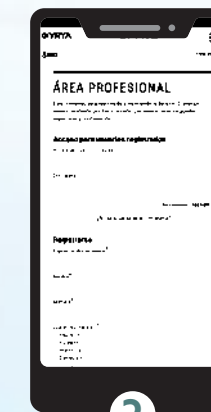

### TECHNICAL DATA SHEETS

Access all our product data sheets and assembly instructions quickly and easily.

1

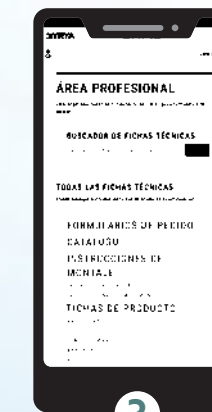

Open the QR code that you will find at the start of each chapter throughout this catalogue.

2

If you are new, register in our PROFESSIONAL AREA, if you are already a user, log in with your password.

Remember your access data to log in automatically.

3

Access our product finder and get direct access to all the necessary technical information.

An order, a product and a specific manufacturing process to give it its final shape.

# STEPS TO CUSTOM DESIGN YOUR FURNITURE

①

## CHOOSE THE FURNITURE

Select the layout and size (width, height and depth) of your bathroom furniture from the designs offered by KYRYA®.

②

## CHOOSE THE STRUCTURE

KYRYA® offers 6 different options for furniture structures. Grouped into: Classic, Bars and Cuadro.

③

## CHOOSE THE OPENING AND FRONTS

KYRYA® offers a handle and handleless range to customise the opening systems, with 25 different designs and finishes.

④

## CHOOSE THE FINISHES

Customise the exterior of your KYRYA® furniture, choosing from five series of finishes: Fantasy, Arlux, Fenix, Wood and Lacquer.

⑤

## CHOOSE THE WASHBASINS

KYRYA® offers a wide range of countertops with **built-in basins** and **countertop basins** in Durian®, Pivstone® and Porcelain.

⑥

## CHOOSE THE MIRRORS AND LIGHTING

KYRYA® sets trends in the bathroom with a wide variety of backlit and decorative mirrors in different shapes, as well as pendant and wall lightings.

# DRAWERS

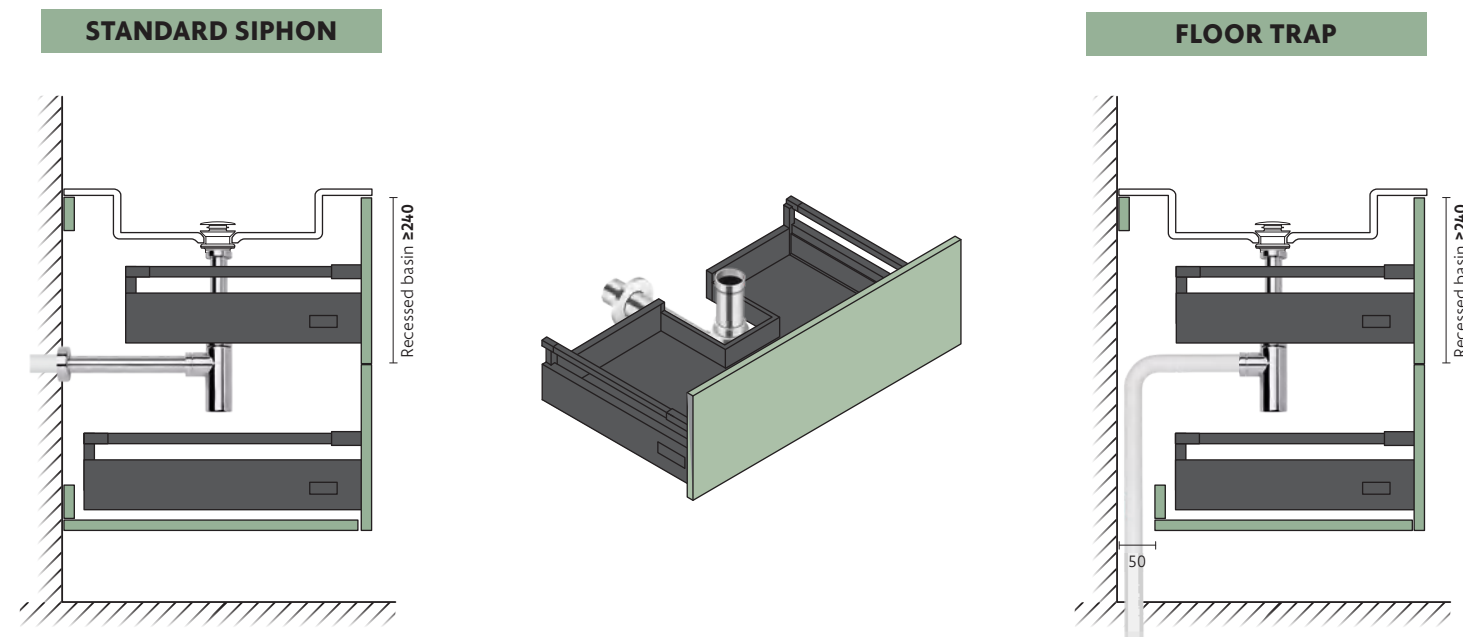

KYRYA® offers the possibility of choosing between the GRASS® XP drawers with no extra cost and SCALA drawers at an extra cost +£37,15/unit.

Both models have **STONE** finish on the metal sides and **SKIN SOUL** on the base.

-  SOFT CLOSE
-  GUARANTEED OPENING
-  VERY RESISTANT
-  VARIETY OF MEASUREMENTS

## RUNNER SIZE ACCORDING TO WASTE TYPE

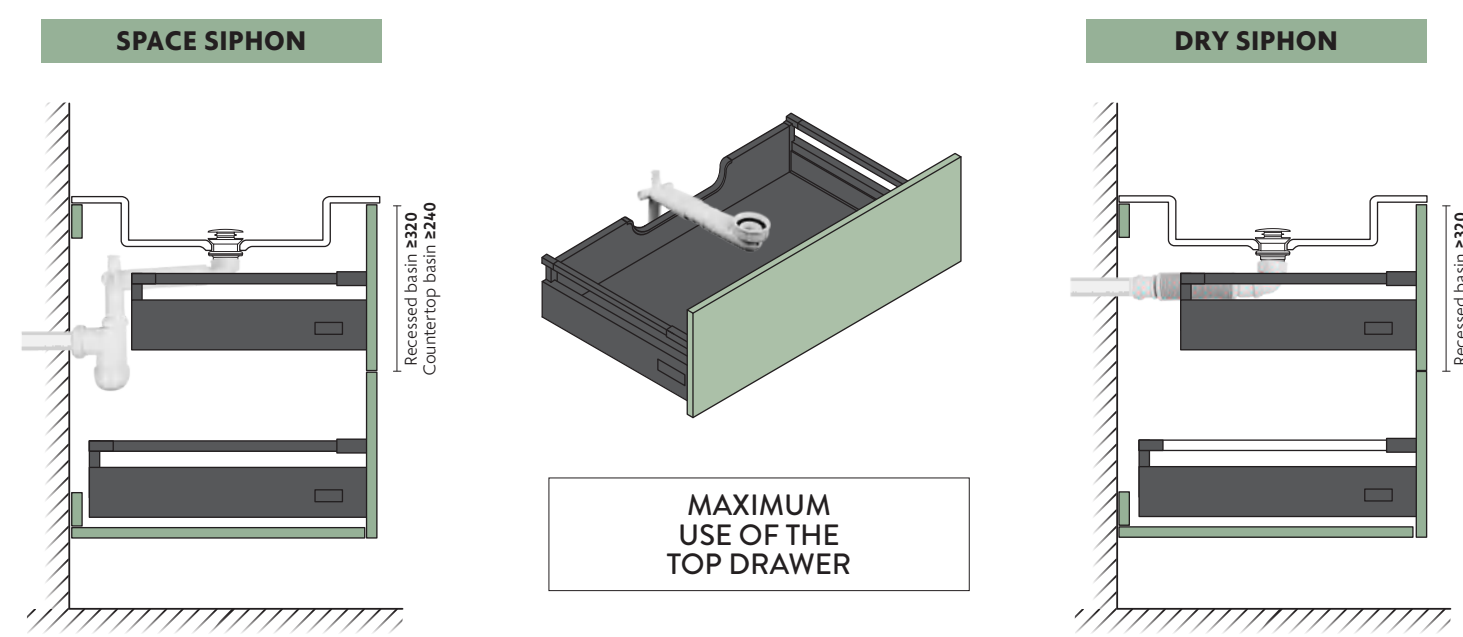

### STORE EVERYTHING YOU WANT

**TOP DRAWER**  
KYRYA® gives you the option to customise the top drawer by choosing different siphon options to increase its capacity.

**BOTTOM DRAWER**  
KYRYA® offers you as standard the largest storage capacity on the market by increasing the depth by 5 cm (except in floor trap).

MAXIMUM USE OF THE TOP DRAWER

## RUNNER SIZE ACCORDING TO DEPTH OF UNIT

### FOR WASHBASIN UNITS

DRAWER	DEPTH 50	DEPTH 45	DEPTH 40	DEPTH 35
XP TOP	runner 40	runner 35	runner 30	runner 27
XP BOTTOM	runner 45	runner 40	runner 35	runner 30
SCALA TOP	runner 40	runner 35	runner 27	runner 27
SCALA BOTTOM	runner 45	runner 40	runner 35	runner 27

### FOR VANITY UNITS

DRAWER	DEPTH 50	DEPTH 45	DEPTH 40	DEPTH 35
XP TOP	runner 45	runner 40	runner 35	runner 30
XP BOTTOM	runner 45	runner 40	runner 35	runner 30
SCALA TOP	runner 45	runner 40	runner 35	runner 27
SCALA BOTTOM	runner 45	runner 40	runner 35	runner 27

- See maximum and minimum measurements on the technical data sheet.
- SCALA Push minimum drawer width 30 cm.
- The runners on units with floor trap have the same depth.

### YOU'RE FREE FOREVER

We feel free when we create and we work in search of sublime results. We like to anticipate our customers' needs and we know that the first step to reach their expectations is to be clear about them.

**Quality is not casual**, but the result of observation, work and attention to detail.

# STRUCTURES

NO EXTRA COST

**Classic**, traditional structure where the front closes on the frame. It allows us to create modular developments to adapt to all spaces.

**Bars 2**, structure that wraps around the sides of the fronts, creating a solution to avoid side obstacles.

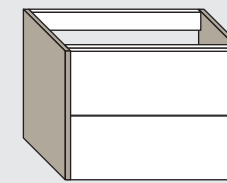

**Cuadro 2 open**, structure that creates a perimeter around the fronts, framing the units.

The choice of structure finish does not condition the drawer or door fronts finish.

# STRUCTURES

## PREMIUM

**Bars 1 and Bars 3 curved,** structure that wraps around the sides of the fronts, creating a solution to avoid side obstacles.

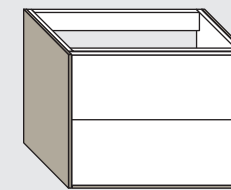

**Cuadro 1 open,** structure that creates a perimeter around the fronts, framing the units.

The premium structures are available in lacquer and wood, and can be combined with fronts in any of the finishes KYRYA® offers.

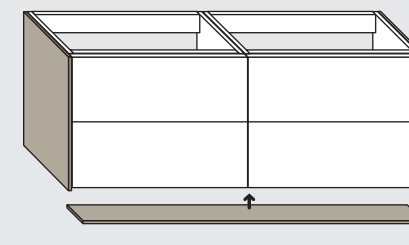

The choice of structure finish does not condition the drawer or door fronts finish.

# OPENING SYSTEMS

## HANDLELESS & HANDLES

The visible strips have a height of 3 cm and this is considered the front measurement.

Possibility of choosing between any handleless or handles with no extra cost, except Push, Straight and Gola Led.

Unless otherwise stated, the handles will be supplied in **Position 1 (P1)** except Straight Handleless and Gola in **Position 2 (P2)** for depths ≤47 cm.

The handle measurements indicated in this price list refer to the exterior dimension.

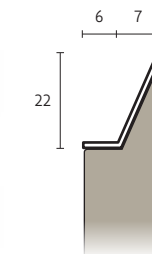

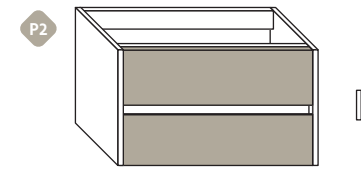

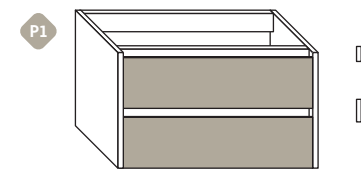

Change of position or size of handles +€46,44/unit, (see technical table).

Handles on drawers are centred and on doors they are positioned off-centre.

# MODULAR BENCHES

The modular benches can be used with Classic and Bar structures.  
 They are made up of vanity units and countertops supplied in individual packs.  
 The modulations allow us to create large benches up to 2.2 m. long.  
 If they are floor-standing, a base must be used (2<sup>nd</sup> countertop) and legs or wheels must be added every 75 cm with the corresponding counterweight.

## EXAMPLES OF MODULAR BENCHES:

**2 DRAWERS**  
 C10 + C10 + F22

**1 DRAWER / DECORATIVE UNIT**

# COUNTERTOPS & WASHBASINS

PIVSTONE® ..... p.130

DURIAN® ..... p.136

CERAMIC ..... p.162

  
**PIVSTONE**

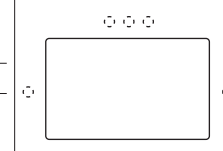

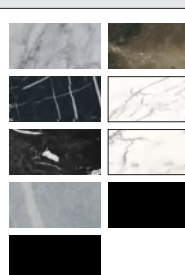

**PIUTECH TECHNOLOGY**

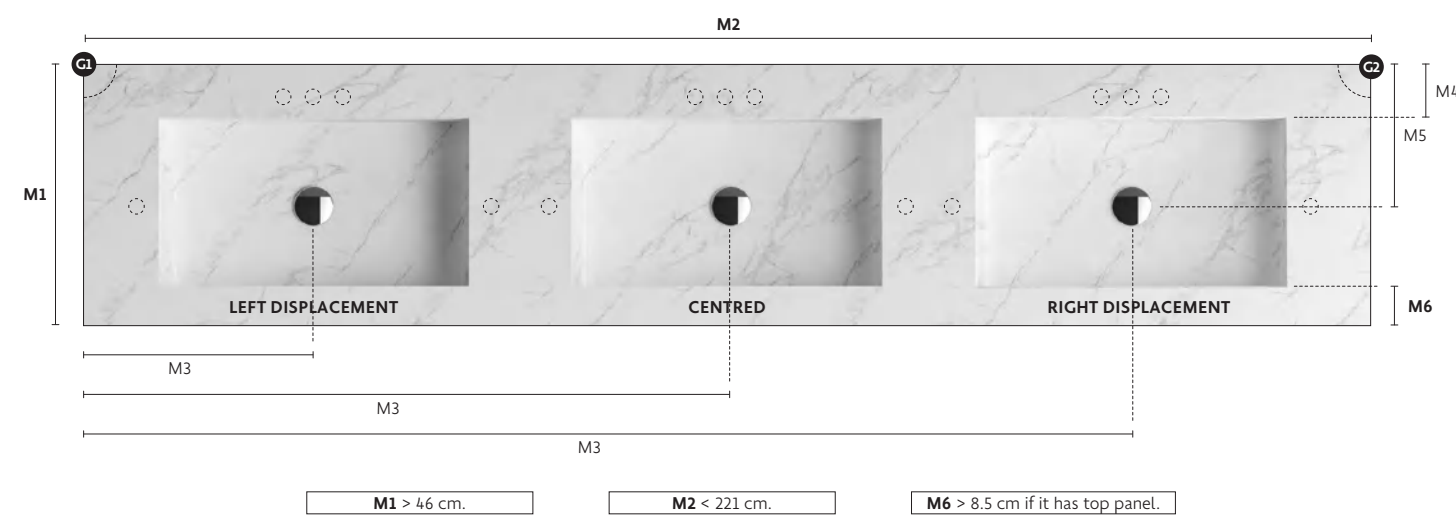

A TRANSPARENT COATING IS APPLIED TO THE PIVSTONE® COUNTERTOPS TO SEAL THE PORES ON THE SURFACE, GIVING IT GREAT SOLIDITY AND RESISTANCE AGAINST EXTERNAL AGENTS WITHOUT ALTERING THE PROPERTIES, ELEGANCE AND STYLE OF THE NATURAL STONE.

STRICT QUALITY CONTROLS VERIFY AND CHECK EVEN THE TINIEST DETAILS OF THE PRODUCTION PROCESS.

**COUNTERTOP CONFIGURATION**

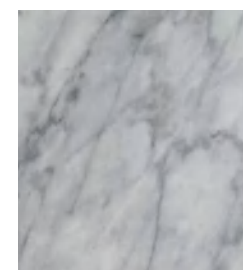

1 MEASUREMENTS	2 WASHBASIN LOCATION	3 TAP POSITION	4 BASIN MEASUREMENT	5 TOP PANEL THICKNESS	6 FINISHES

## PIVSTONE MYKONOS

Piutech Marble allows the washbasin and countertop to form a seamless finish with no visible joints.

A rounded drop towards the click-clack waste valve at the bottom of the basin has been designed for perfect water drainage.

# durian®

Durian® is a registered trademark of Solid Surface manufactured by KYRYA® group, which holds all the quality certifications.

The main component is a mineral (Alumina Trihydrate) which when mixed with a low percentage of resins makes our product injectable in moulds to achieve the desired shapes. It comes in its natural neutral white colour, is pleasant to the touch, similar to compact mineral, has high hardness, high impact resistance and allows the construction of spaces with no visible joints, as it is homogeneous and solid throughout its thickness.

Durian® represents the personality, elegance and creativity of materials that offer the possibility of any design style.

## MEASUREMENTS NEEDED TO CONFIGURE A WORKTOP

For the correct configuration of the made-to-measure Durian® countertop, the dimensions, thickness and location of the washbasin and taps are required. If not indicated, it will be supplied by default.

ESSENTIALS	M1	Countertop depth (overhangs included).
	M2	Countertop length (overhangs included).
	M3	Distance from wall to waste axis (only required for displaced basins).
OPTIONAL	M4	Distance from wall to start of basin (required for wall-mounted taps).
	M5	Location of the basin in depth.
	M6	Distance from basin to outer front edge.
	G1	Left angle other than 90°.
	G2	Right angle other than 90°.

## COUNTERTOP THICKNESSES

Durian® allows us to customise the thickness of the countertop, starting with a 12 mm base plate and increasing the perimeter to the required thickness.

## QUALITY CERTIFICATE

Durian® in collaboration with the International Technological Institute AIDIMME, recognised by the Ministry of Science and Innovation, has certified that our products meet all the requirements that guarantee its commercialisation with the necessary technical demands for their use.

# ARLUX

## ART AND LUXURY BECOME MATERIAL

Where the design and the quality of the materials are perceived.

## gravel

The **GRAVEL** series by ARLUX transport us to the stony riverbeds as inspiration for these finishes full of details and textures. 3 finishes that combine perfectly in any bathroom, offering a natural stylish look. They are made using high pressure systems to achieve a texture and resistance to meet the quality standards of our ARLUX range.

## touch

The **TOUCH** series by ARLUX is inspired by the material sincerity of industrial elements to give the furniture that look so closely linked to design architecture. Each finish has a perfectly studied touch and texture to achieve that feeling of realism and high quality finishes that KYRYA® offers you in our ARLUX range.

## feel

The **FEEL** series by ARLUX aims to transport you to other places, a stylish ash latticework gives us an insight into the landscapes of the world. Four designs with a texture full of depth and sensations. Timeless, sober and stylish woods to make your bathroom a paradise.

## wood

The **WOOD** series by ARLUX has been selected for those who appreciate the rusticity of wood and wish to make their bathroom furniture a truly personal piece. The deep marks and knots of these three designs are truly impressive, and thanks to the three shades that KYRYA® offers you can adapt it to your own style.

## oak

In the **OAK** series by ARLUX we considered one of the lightest furniture woods there is, always full of variety, oak and its different species are essential in a piece of furniture that evokes quality and authenticity. We have selected for you three species from the most neutral and stylish to the most rustic and greyish for a vintage industrial look.

## marble

**MARBLE** by ARLUX is essence and sincerity, two unalterable and timeless classic finishes. Discover the new textures of these finishes and create a bathroom space that exudes quality and unique style.  
**HPL BRIGHTNESS WHITE** always a classic that cannot be missed.

# FENIX®

NANOTECH MATT MATERIAL  
FOR INTERIOR DESIGN.  
MADE IN ITALY

ULTRA-MATTE  
SURFACE

EXCELLENT  
COLOUR

WATER-  
REPELLENT

EASY-  
CLEAN

ANTI-BACTERIAL  
PROPERTIES

**FENIX®** is a super-matte nano-technological material for interior design which combines elegant aesthetic solutions with cutting edge technological features. It is an innovative material created for interior design by Arpa Industriale and is suitable for both vertical and horizontal applications. The outer surface of **FENIX®** is achieved through the use of nanotechnology and is characterised by the use of acrylic resins. These are hardened and set by means of Electron Beam Curing, which has opened up a heretofore unexplored path in interior design. Reflecting back very little light, its surface is ultramatte and fingerprint-proof, plus pleasant and soft to the touch. As a result of nanotechnology, **FENIX®** can regenerate following micro-scratches on the surface through a thermal repair process, as its very name suggests.

# WOOD

## THE PERFECTION OF NATURE

The most natural expression in your bathroom space.

## ash

**ASH** is a wood that grows on humid riverbanks and adapts to all types of climates, making it the hardwood par excellence for those looking for a solid and durable finish that is also beautiful and adaptable to different styles.

## oak

Whether it is Heartwood with its yellow-brown colour or Sapwood with its light tones, **OAK** is a wood that offers outstanding characteristics of resistance to humidity and high density as a material. The ideal wood for creating the most ambitious environments and designs in wood.

## walnut

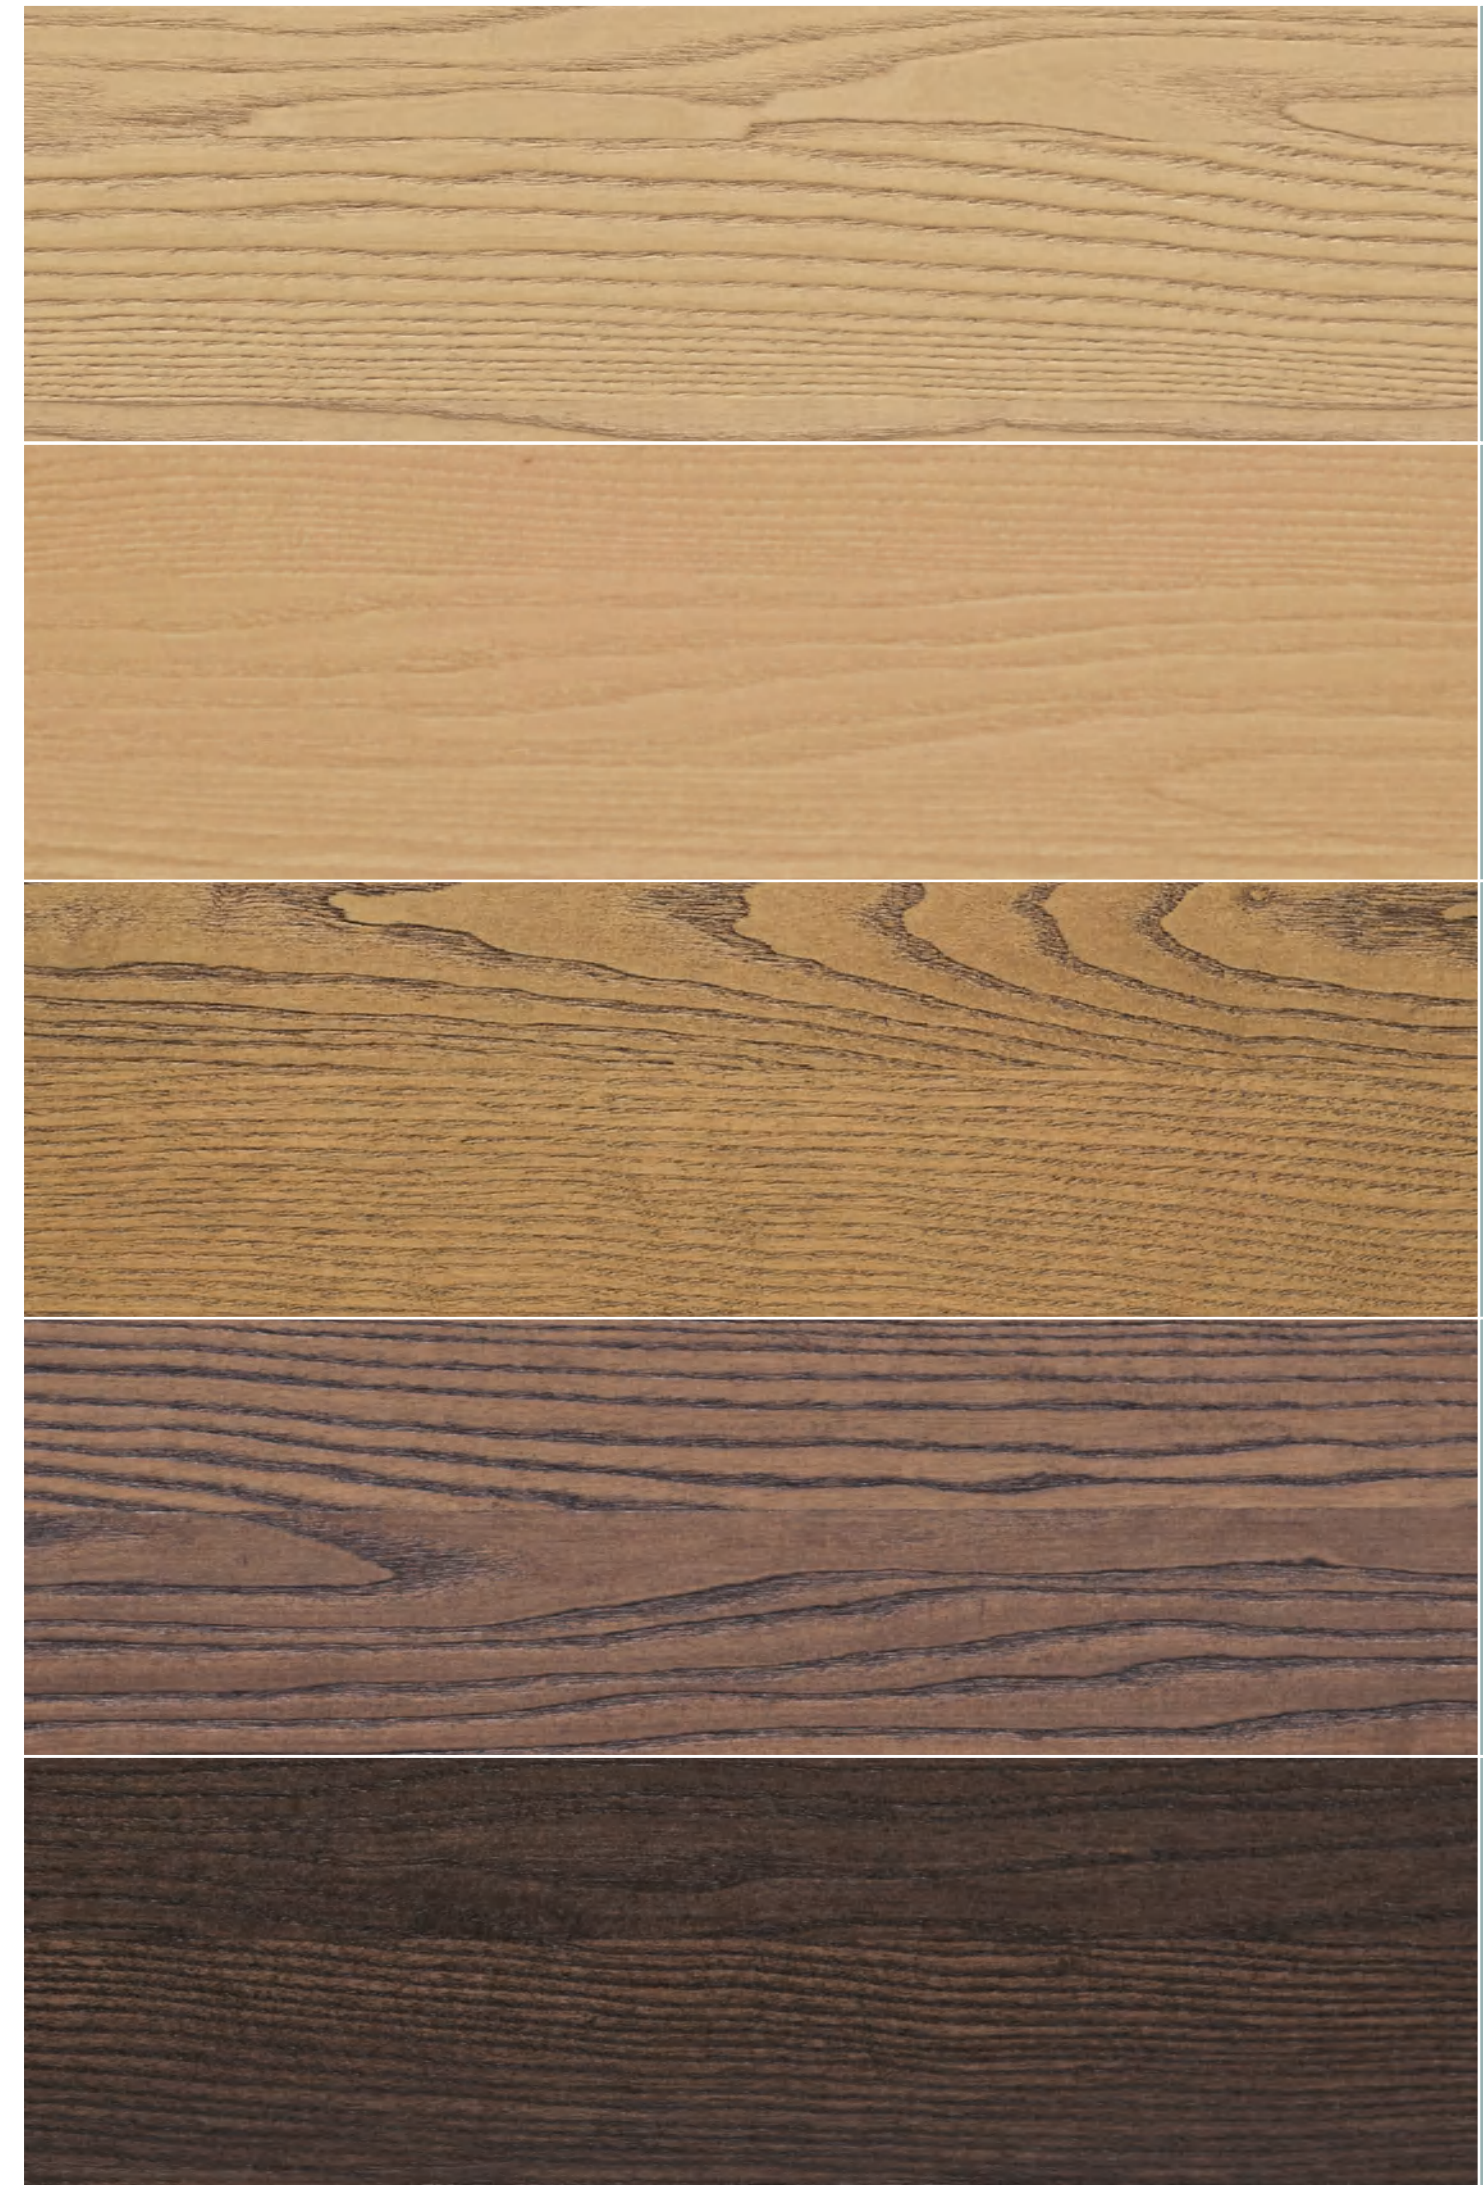

From light brown to dark chocolate, sapwood can have greyish or even yellowish tones. It is one of the favourite dark woods, a natural elegance for the most exquisite tastes.

# GENERAL TERMS AND CONDITIONS OF SALES

When making an order, customers accept our general terms and conditions of sales and the current price list.

## PRICES AND PRODUCT:

The prices shown in this price list are RRP's except for typographical errors. VAT and assembly are not included. This price list nullifies previous ones.

The company reserves the right to make partial or total technical modifications without notice to the products that appear in this pricelist in order to improve them.

The company cannot be held responsible for any change in the colour or for additions or changes to orders supplied at a later date.

The finishes shown in this price list may vary according to the finish and original colour of the material.

## ORDERS:

Orders are binding and only those received signed and dated in writing and including all the necessary information (finish, handle, structure, layout and measurements) for the whole order will be processed.

Once the order has been processed, a copy will be sent by e-mail for confirmation, a deadline of 24 hours being provided for modifications or corrections.

After 24 hours, no modifications or cancellations will be accepted.

All orders received will be processed individually and it is not possible to group orders together.

The delivery times shown on the order are an estimated date for products to leave our facilities.

The company cannot be held liable for compensation for delays to part or all of the delivery.

## PAYMENT CONDITIONS:

Payment as per previously agreed terms with the company.

Merchandise is the property of the company until full payment of the corresponding invoice has been made, the client acting as a depository.

## TRANSPORT AND MERCHANDISE:

Prices do not include transport, they are ex work.

The company will not accept the return of any goods and any delivery sent to our installations without prior consent shall be rejected and returned to the sender forthwith.

## GUARANTEE:

All our products are guaranteed against any manufacturing defect in accordance with current European legislation. The guarantee undertakes to repair or replace any defective elements.

The guarantee does not include damage occurring due to incorrect installation, manipulation or use.

No other complaints from clients shall be accepted.

Any complaint about products must be made in writing and accompanied by the corresponding purchase invoice.

## LAW COURTS:

When ordering, acceptance of each and every one of the terms and conditions of sales is implicit.

In the event of dispute, both parties shall be subject to the jurisdiction of the courts of the invoicing party.

# OBSERVATIONS

- 19 mm fronts and side panels.
- Extractable GRASS metallic drawers with soft close for units with depth over 32,5 cm.
- GRASS door hinges with soft close system.
- Polished high gloss and Select Matt Lacquers in the colours of the RAL chart +15%.
- All the frames of the furniture units are supplied with their own edge.
- All the non-decorative backs, shelves and structural elements are supplied in Charcoal Grey.
- Standard depth counter tops are KYRYA® models.
